Dear Kingdom Planter,

The Kingdom Advancement Center (KAC) is a Church and 501(c)(3) organization with the following mission:

The Church exists to prepare God's people for works of service, so that the body of Christ may be built up until we all reach unity in the faith and in the knowledge of the Son of God and become mature, attaining to the whole measure of the fullness of Christ (Ephesians 4:12-13).

The purpose of this mission is to advance the Kingdom of God through our Lord Jesus Christ in the Greater Elgin and Fox Valley Region and beyond. To perpetuate this mandate it is necessary to partner with like-minded individuals that are committed to the message of the Kingdom of God and the growth and advancement of the Kingdom in the lives of His people.

For this reason, we are excited to introduce you to our KAC Partners Program! The KAC Partners Program is designed to give Kingdom minded planters an opportunity to invest in the mission(s) of The Kingdom Advancement Center. This is accomplished by providing a structured program targeted at investing in the growth of God's people through Holy Spirit focused training, scholarships, licensing and ordination, community building, and joint Church and para-Church partnerships. The KAC is strategically structured to meet these goals through the following vehicles:

- 1) The Kingdom Institute
- 2) The KAC Scholars Program
- 3) 'Apostolic-Go' International Missions
- 4) Regional Conferences & Training Centered Seminars

We are excited about what God is doing in our midst! We thank you for the opportunity to speak to you about the KAC Partner's Program. It is our only desire that you seek the Lord about His will concerning your partnership with us. If you believe this is the ministry for you or if you have any questions, please respond via phone to Dr. Brian Johnson, 312-473-5740. Financial gifts are also accepted online at www.thekingdomacom/donate.html or via mail at The KAC, PO Box 5500, Elgin, IL 60121.

In His Service,

The students are commissioned to represent the Kingdom of God in every sphere of society including Government, Arts & Entertainment, Education, & Business. Each student is also required to attend classes at the Kingdom Institute where they are taught what it means to advance God's Heavenly Kingdom on Earth through community involvement and social responsibility.

'Apostolic-Go' International Missions is the Church building and planting ministry of The Kingdom Advancement Center. Its goal is to help fulfill the commission of the Kingdom of God around the world to teach all nations. This teaching ministry will be executed through the specific mission(s) of The Kingdom Advancement Center by assisting and cooperating with other local churches that also desire to establish the Kingdom of God through the faith of Jesus Christ around the World. The KAC currently partners with [Engage Africa](#) (pictured to the left).
