### **Teaching Certification Program**

**Revised: 12/08/2015**

The Church exists to prepare God's people for works of service, so that the body of Christ may be built up until we all reach unity in the faith and in the knowledge of the Son of God and become mature, attaining to the whole measure of the fullness of Christ (Ephesians 4:12-13).

## Teaching Certification Program

The Kingdom Advancement Center (KAC) will be filled with all the gifts and offices of God, first apostles, secondarily prophets, thirdly teachers, after that miracles, then gifts of healings, helps, governments, diversities of tongues, and all other gifts and offices which the Scriptures recognize (i.e. Romans 12:4-8, 1 Corinthians 12:7-11, Ephesians 4:11, 1 Timothy 3). This Mission Statement is the foundation of The Kingdom Advancement Center's Teaching Certification Program. It is the foundation by which individuals, men and women of God, will be certified to teach in the local Church and beyond.

There are two fundamental gifts of God on which the Kingdom Advancement Center prepares the saints to become disciples' of Christ, namely, prophecy and teaching. This model is taken from the biblical model of the Antioch Church (Acts 13:1). The teacher, in general, is responsible for the logos of God by obtaining a mastery of Scriptures. The prophet, in general, is responsible for the rhema of God by obtaining a mastery of hearing the Voice of God expressly from heaven.

The goal of this Teaching Certification Program is to clearly define a path for those that wish to exercise the gift of teaching (according to Romans 12:7) in the Body of Christ and to create a reservoir of prospective teachers that are available to educate generations of saints in the Kingdom of God. This process fulfills the model set forth by the Antioch Church and also allows The KAC to be established as an Apostolic Gate Church in its region that is responsible to perfect the saints for the work of the ministry and prepare God's people for works of service (Ephesians 4:12).

The Teaching Certification Program is also ideal for those that believe they are called to the office of Apostle or Pastor-Teacher as well. However, it is not necessary to have a 4-Fold call upon one's life to obtain the Teaching Certification.
